

## Details and Logistics of the 2024 International Innovation Entrepreneur Leadership Experience Program<sup>1</sup>

### PROJECT DETAILS

This is a study abroad program at Chung Yuan Christian University in Taiwan on entrepreneurship and business startup for students interested in business startup in a region particularly active in entrepreneurial activity ([see document on program details](#)). Chung Yuan Christian University has an excellent program in this area ([see document on CYC University](#)). The UA faculty organizer is planning on joining the students this summer, but this is a program that is run by CYCU and will transfer as 3 credit hours to your UA transcript. We are still determining exactly what class this transfers to, and what electives it will fulfill in your engineering major.

### Program Dates

July 1 – July 19, 2024

### FACULTY ORGANIZER

Pete Ludovice, Executive Director of the University of Alabama Engineering Entrepreneurship Program  
[pete.ludovice@ua.edu](mailto:pete.ludovice@ua.edu); 205-348-1645, Room 2065, H.M. Comer Hall
